STRENGTHS

Self-confident and patient educator with a strong willingness to learn and a consistently positive attitude toward work. Experienced in teaching English through online platforms (2024–2025), with strengths in lesson planning, student assessment, and interactive teaching methods. Skilled at improving students' pronunciation, vocabulary, and sentence formation through discussions, storytelling, and activity-based learning, while contributing positively to a healthy and collaborative organizational environment

HOBBIES

Reading, Poetry, Crochet,
Adventures Activities.

ABOUT ME

Enthusiastic English Teacher with one year of experience in teaching grammar, vocabulary, reading, writing, and spoken English, known for engaging lesson plans, adaptable teaching methods, and a positive classroom environment that builds student confidence. Alongside teaching, I am a second-year B.Sc. Computer Science, Mathematics, and Electronics student with a strong foundation in C programming and circuit handling, active leadership experience as Secretary of the Electronics Association, and a keen interest in growing across both technical and organizational domains.

EDUCATION

Army Public School, Bangalore (2011–2022)
